

Health and Safety Policy

CQG Consulting¹ is a regionally based professional consulting firm offering environmental, engineering and town planning services to local, national and international clients.

This Health and Safety Policy is a statement of ongoing commitment by CQG Consulting to promoting healthy lifestyles and minimising workplace accidents and injuries.

CQG Consulting aims to maintain a safe working environment for all employees, sub-consultants, clients and visitors to our workplaces, and aims to ensure maintenance of our health and safety management practices that have been certified against the AS/NZS 4801 Standard for occupational health and safety systems.

CQG Consulting is committed to:

- Promoting a “think before you act” culture;
- Pro-actively maintaining our goal of zero workplace injuries;
- Promoting safe work practices through open communication of our health and safety values;
- Maintaining currency and compliance with all relevant workplace health and safety laws, regulations, and statutory obligations;
- Allocating appropriate resources to implement our health and safety system; and
- Monitoring our performance and implementing continuous improvement strategies to ensure that health and safety objectives and targets are achieved.

The active and effective involvement of our management, staff, sub-consultants and suppliers in achieving our health and safety objectives is sought and encouraged.
