

Sustainability and Ethical Sourcing Policy

CQG Consulting¹ is a regionally based professional consulting firm delivering environmental, engineering and town planning services to local, national and international clients.

This Sustainability and Ethical Sourcing Policy is a statement of ongoing commitment by CQG Consulting to ensure the business operates in a responsible and consistent manner.

CQG Consulting is committed to:

- Actively promoting and encouraging the reduction of waste by minimising consumption and the use of natural resources, reusing and recycling materials taking into consideration the lifecycle of the resource;
- Raising awareness of the importance of sustainability and ethical sourcing with our suppliers, staff and clients;
- Involvement and support in ethical local community and events;
- Sourcing consumables from reputable suppliers;
- Managing our business in a manner that reflects our high ethical values;
- Accurate and transparent record keeping;
- Demonstrating our commitment to continuous improvement in maintaining our certified Health, Safety Environment and Quality management systems; and
- Meeting and exceeding the expectations of our clients, through accurate and safe work practices and ethical purchasing considerate of environmental impacts.

The active and effective involvement of our management, staff, sub-consultants and suppliers in sustainable and ethical sourcing is sought and encouraged.
